

Lynn H. Nicholas

***The Rape of Europa* : un ouvrage fondateur**

Dès le début de la guerre, les nazis ont entrepris un gigantesque pillage artistique de l'Europe.

L'ouvrage de Lynn Nicholas, publié en 1994, est le récit, précis et documenté, de ce viol culturel de l'Europe par les nazis et de la longue traque menée par les alliés pour retrouver le patrimoine dispersé.

Lynn Nicholas, *The Rape of Europa*,
(Alfred A. Knopf, 1994).

Table des matières
